

Privacy Policy

General information

The following is an overview of what happens to your personal information when you visit our website. Detailed information on the subject of data protection can be found in our privacy policy listed under this text. This Privacy Policy applies only to our website. It does not apply to third-party websites that you can access through our website.

Data protection

The operators of these pages take the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the statutory data protection regulations and this privacy policy.

If you use this website, various personal data will be collected. Personal information is information that personally identifies you. This Privacy Policy explains what information we collect and what we use it for. It also explains how and for what purpose this happens.

Please note that data transmission over the Internet (for example, when communicating via e-mail) may have security vulnerabilities. A complete protection of the data from access by third parties is not possible.

Data collected

First name, surname, e-mail address, the position, company and telephone number you provide are the data that could be collected as part of our business relationship.

Use of the data

We use the data for the following purposes:

- a. Managing our business relationship,
- b. Delivery of our products and information about our products.

Your information will not be disclosed to third parties unless you have consented or if necessary to fulfill our obligations.

Capture of server log files

The provider of the pages automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

Browser type and browser version
used operating system
Referrer URL
Host name of the accessing computer

Time of the server request

IP address

A merge of this data with other data sources will not be done. This data is used for the operation and analysis of our website.

Revocation of your consent to data processing

You can revoke an existing consent at any time. An informal message by e-mail to us is sufficient. The legality of the data processing carried out until the revocation remains unaffected by the revocation.

Information, blocking, deletion

Within the scope of the applicable legal provisions, you have the right to free information about your stored data, their origin and recipient and the purpose of the data processing and, if necessary, a right to correction, blocking or deletion of this data. For further information on personal data you can contact us at any time at the address given in the imprint.

Data Protection Commissioner: Emmanuel Jansa, jansa@iquantis.com , +421 948 219 498

The basis for this privacy policy is EU-GDPR.
